Alma

Mater

Words by Robert Cormier '42

Music by Alphonse Piermarini '42

Upon the hill you stand upright  
Against the storm of time and tide.  
Your glory is our guiding light;  
Your nobleness our pride.  
We raise our voices now in song  
And send your praise across the sky.  
You served us faithfully and long;  
Your spirit shall not die.

#### CHORUS

Hail, O Alma Mater, hail to you,  
Your noble heart, forever proud and true.  
And though the years are dark and long,  
This will be our song forever more.  
The trust you gave us we shall not forget,  
For faith can never know regret.  
The star of truth, the symbol of our youth,  
We praise you, Leominster High.

# A YEAR TO REMEMBER

*This has been our year. Our time of glory. Think back. Would you have missed it for anything?*

*... The wild jubilation.  
... The bitter disappointments.  
... Our teams—  
    the pride of victory;  
    the sting of defeat.*

*But always, the Class of '63. The Class of Progress; yet, the link with the past.*

*... The old traditions revived.  
... New ideas tried;  
... Changes for the better.*

*Could any other class have been more worthy of being the last senior class "on the Hill?" To respect and love the old L.H.S. for its memories; to forge ahead and lay the foundations for tomorrow's successes?*

*Think back . . . Remember. Let this '63 MAGNET take you back . . . to relive your three years as a class and your year as seniors . . . your year to remember.*

# CLASS

It was with anticipation more than anxiety that the mighty "Class of '63" entered the hallowed halls of L.H.S. With three successful years at M.A.G. behind us, we felt fully prepared to welcome any challenge "on the hill." We set out to prove our worth and our first chance came in October, 1960, when Jo Ann Murphy took first prize in the five-minute speech contest with her talk on "Juvenile Delinquency."

In February, 1961, several members of our class participated in the Elk's Oratory Contest and Judie Girouard went on to win third prize in state competition with her talk, "The Challenge of Tomorrow for the Youth of Today."

Even at this early stage, our boys' athletic ability was apparent. All sports had representatives from the Class of '63. Dick Barry, Dave DeCarolus and Norman Ferrera made the varsity basketball team. Barry Cabana, Joe Hines, Dave Hunter and Buzz Moran won first prize in the North Worcester County Relay and brought back a shiny new trophy for the L.H.S. collection. We were also well represented by Dave DeCarolus, Bob Hudson, Bill Laprade, and

Frank L'Etoile on the varsity baseball team, which became North Worcester County champs.

In March, we became the envy of the Class of '61 when we selected our collegiate style class rings.

Our last activity of the year was to elect our Junior Class officers. We voted Gary White, president; Chalk Antonucci, vice-president; Donna Mauro, secretary; and Marie Brideau, treasurer.

# HISTORY

After a well-earned summer vacation, we returned to begin what we hoped would be a successful junior year. Five of our girls certainly started out well when they were honored to be selected as cheerleaders for their junior and senior years. These girls were: Mary Ann Andrews, Carol Cavaoli, Judie Girouard, Jeannie Lolli, and Donna Mauro. They really had something to cheer about when the 1961 football team became North Worcester County and Class A champions and when our basketball team finished runner-up in the Bay State Tournament.

In October, 1962, our girls did it again! Barbara Welsh's humorous talk, "On the Other Hand," took first place in the five-minute speech contest and Donna Mauro's speech on patriotism won third place. Sally Gavin entered the Elk's Oratory Contest and won first prize locally and second prize in the district with her speech "How I Can Help My Country Meet the Challenge of Communism."

Our class revived a former L.H.S. tradition, the Sophomore Welcome Party. On October 11, 1961, we provided a dance, refreshments and entertainment for our new sophs while we got "acquainted."

Our second social event, the Junior Class Spaghetti Supper, was as much fun as it was profitable. With large committees for every job, we worked together to produce the most successful supper of the year, with the profit to our class exceeding \$300.

Our illustrious Mr. Chalk Antonucci gained honors for our class when he won the Elk's Youth Leadership Contest in February, 1962, a prize he well deserved.

June, 1962, brought the elections of our senior officers. This year the honors went to Chalk Antonucci, president; Pete Weinbaum, vice-president; Lonna Greco, secretary; and Marie Brideau, treasurer.

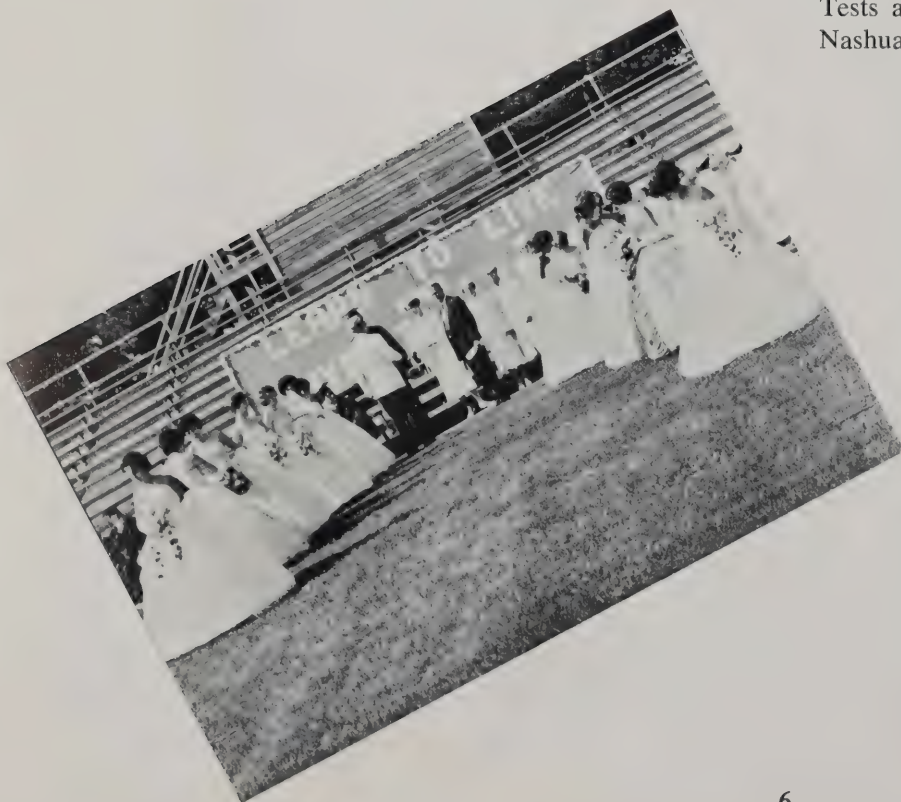

As the graduation of the Class of '62 approached, we gave our services as a set-up committee at Doyle Field, supervised by Mr. Cousins; as ushers for the Senior Reception, with Donna Mauro as head usher; and as flower girls for the graduation ceremony. The flower girls, chosen on the basis of honor standing and service to the class were: Edla Asikainen, Gail Buskey, Janice Castriotta, Carol Cavaoli, Carla Ciprotti, Judie Girouard, Margaret Goetz, Carole Iannacone, Jeannie Lolli, Virginia Masciangioli, Donna Mauro, Jo Ann Murphy, Marilyn Thomas, Grace Russell.

The advent of spring brought thoughts of cherry blossoms to our band members as they readied themselves for their trip to Washington, D.C. for the Cherry Blossom Festival. And "Wow!" the tales we heard from those who "made it back."

Cherry blossoms bloomed again on May 26, 1962 when our class presented the annual Junior-Senior Prom, "Sayonara." Again we owe thanks to Gail Buskey and all the students who worked so hard to make it a success. Even our honored advisors lent a hand with decorations and surely we'll never forget Mr. Cousins's superior accomplishment in wielding a broom!!!

Our senior year opened with honors both scholastic and athletic. Margaret Goetz, Eleanor Hitov, Martin Moran, Karl Mahonen, and Peter Weingaum received honorable mention in the National Merit Scholarship Tests and our football team won its opening game at Nashua, 14-8.

We also began the year minus one of our classmates when Eleanor Hitov entered the freshmen class at Clark University from her junior year at L.H.S.

Our Senior Spaghetti Supper, held on November 7, 1962, was another huge success, surely due to all the publicity it received. Led by Pete Lanza, an exceptionally spirited publicity committee, which included our little "Jazz Combo," accomplished its purpose very effectively.

After a 3-0 loss from Gardner, our football team made up for their disappointment by trouncing Fitchburg 14-0 at muddy Crocker Field on the rainiest Thanksgiving Day ever seen. The half-time entertainment included a slippery but humorous rendition of the Limbo by our band and boy cheerleaders. Coach Broderick was chosen "Coach of the Year" by the Fitchburg Booster Club and many congratulations went to our "Choo-Choo Charlie."

Five minute speech time rolled around again and the fact that we couldn't hold our Better Speech Contest in school didn't phase Polly O'Connell one bit as she went on to win first place at the Rotary Club. Polly completed our three year winning streak with her talk on "Friendship."

The girls' favorite sport, field hockey, had an active 1962 season. But the girls brought on their own end when they challenged the male population of our class to a hockey game. In addition to the bruised shins and sprained fingers, several of our girls looked "awful red" when the boys handed them a 4-1 defeat!

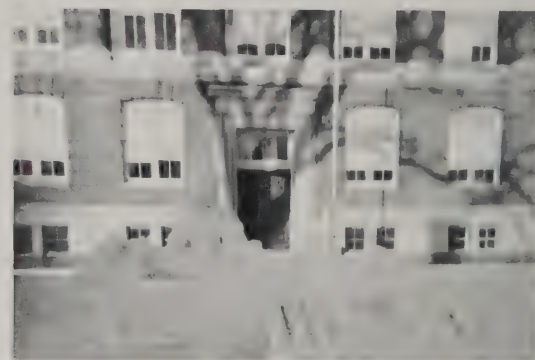

At this point, the ability and initiative of the individuals of the class earned new laurels for our fine record. By early winter it was apparent that a large majority of seniors would be going on to college or furthering their education, and by March we had set a new record for college acceptances.

No sooner were mid-years completed than the colorful posters advertising the Winter Carnival were seen along the L.H.S. corridors. The lively theme, "Mardi Gras," lent a festive atmosphere to the school and aroused much excitement and anticipation in the student body.

The newly-revived snow sculpturing contest offered an artistic opportunity for the three classes to compete, and proved to be quite an attraction for the town's citizens. The Class of '63 reigned supreme in yet another field as its "Sleeping Beauty" won first prize.

The highlight of the Carnival Ball, held on February 16, 1963, was the crowning of the King and Queen by Mr. Joyce, Student Cabinet advisor. This year our choices were Miss Judith Girouard and Mr. David De-Carolis, who reigned with the court consisting of Daniel McCarty and Gail Buskey, Douglas Furbush and Lonna Greco, William Laprade and Virginia Lolli, and Marc Levine and Sue McManus.

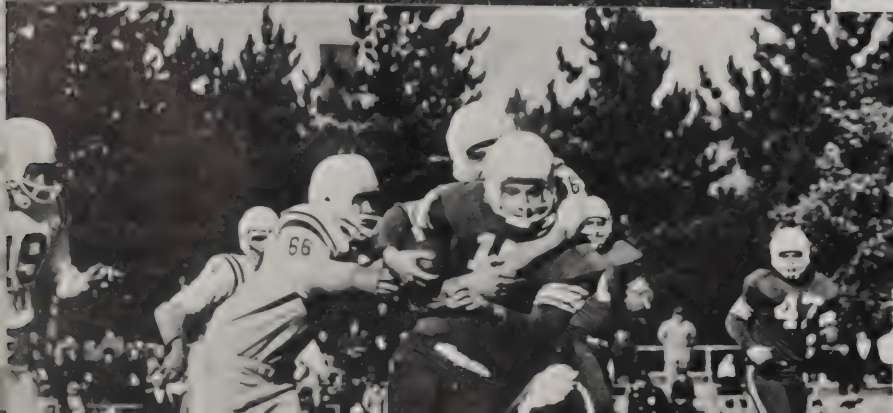

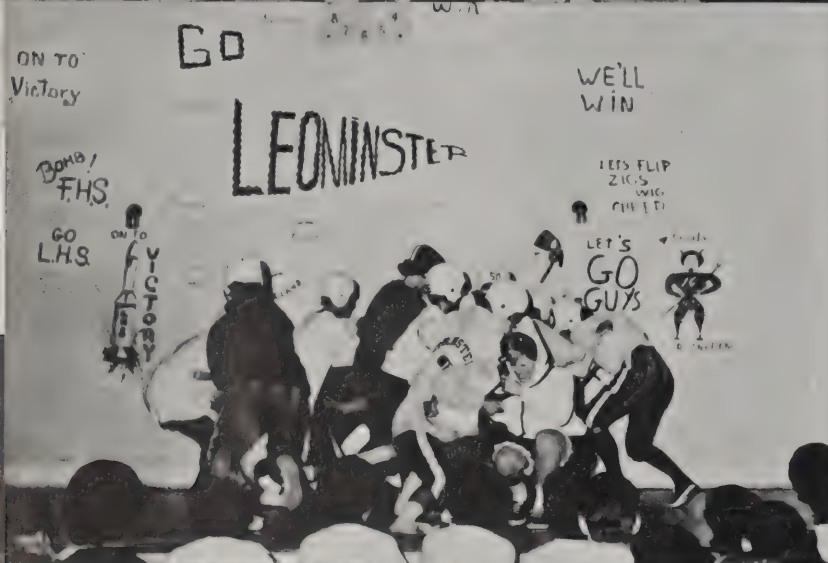

"There's no business like show business!" was the top tune around the halls for weeks as the class "hams" prepared dinner for Wednesday, April 24, and Friday, April 26, 1963. The feast came in the form of a two-course banquet and no one went home hungry for talent. Mr. "Darryl Zanuck" Joyce went from crowning queens to "crowning" aspiring actors who forgot their lines in our two plays, "This House is Haunted" and "The Long Christmans Dinner." Altogether, it was a memorable experience and encores and bouquets are due to Mr. Joyce, "director-in-chief"; Kenny Blood, production manager; Harlan West, technical director; and Jeannie Lolli and Sue Zimmerman, student co-directors.

### DEDICATION

This ancient building so familiar to us now contains the echoes and memories of the many graduating classes who have preceded us. We are very proud to be the last seniors “on the hill” and for that reason we dedicate this *Magnet* to our L.H.S. May the spirit and traditions that we have inherited, which have made our class years so meaningful, endure forever.

June 16, 1967

To the Members of the Class of 1967:

"Well, O Alma Mater, hail to you! -- We praise you, Leominster High." You sing these words during graduation rehearsals and at your graduation exercises, and strangely serious thoughts make an undercurrent as you sing. School hasn't been so bad after all. You have grown up during these three years; many people have contributed to the process. You become suddenly aware of all that you owe to the school -- teachers, fellow students, class advisers, club sponsors, student leaders. At your senior reception you find you can't say "thank you" often enough or warmly enough to all those who have given you help, friendship, encouragement, pleasure. Gratitude is a fine emotion; it does you credit and is heart-warming to those to whom you express it. But do you know why a fine graduation class experiences gratitude so deeply and strongly? The poet Edwin Arlington Robinson once said: "There are two kinds of gratitude: the sudden kind we feel for what we take, the larger kind we feel for what we give. Doesn't this express what is happening in you as you look back over your school years? You have received from the school because you have given to the school -- the honor of well-played athletic events, the good repute of fine projects like your senior play, the patience during the year's difficulties, and the consideration you have shown others every day. In you who have contributed the most, the feeling of gratitude for the good years behind is the strongest. So it will be all your lives. You who give the most to your community, to your country, to humanity will feel always that satisfying sense of gratitude for the good years you have lived.

Congratulations and Best Wishes,

*Theodore M. Kucharski*

To the Graduates of the Class of 63:

Congratulations! You have completed the required courses and skills necessary in order to receive your diploma. Many of you have worked diligently. Your skills today may become obsolete in years ahead. It will be necessary for you to continuously keep abreast of the times. There is one phase which I hope every one of you possess and that is character. One of the essential qualities of good character is industry and the willingness to work for a given ware. Roll up your sleeves, young men, and be counted. Be one who knows his skills and one who has the willingness to work. Industry awaits you. You are faced with one of the most interesting eras that the world has ever known. Can you be counted?

Best Wishes,

# TREASURES

The old brick building on the “Hill,”  
The dusty firetowers,  
The faded yellow paint on the walls,  
The rusty lockers,  
The chain rope for the baskets in the gym,

Teamed with chain patterns on the gym windows.  
The bustling noises of the busy students,  
The murmur of voices pledging our flag,  
The rhythmic clicking from the typing room  
The pungent odors from the “lab,”  
The “quiet” in study hall,  
And the oration of Anthony in a speech class.

Gum wrappers, papers, pencils,  
And “Mary loves Mike” carved on a desk for  
    posterity,  
Only to be sanded down next year,  
And replaced with “Mary loves John.”  
Those “holy” seats in the assembly hall  
And burnt out light bulbs on the ceiling high  
    above.

The lording authority of seniors,  
The mild enthusiasm of juniors,  
The sophomores—lost to us this year.  
But all this is ours;  
Trifles perhaps, but memories still  
And precious enough to be oft-repeated in years  
    to come . . .  
Remember when?

**MARSHA ADAMS** *Commercial*  
*Her voice was ever soft, gentle and low—  
 an excellent thing in a woman.* Quiet of  
 manner and gentle of speech, Marsha is  
 liked by all who know her. She enjoys  
 all sports, dancing and is also quite a  
 record collector. Her familiar "I don't  
 know," does not apply to her bookkeep-  
 ing, for she will make an excellent ac-  
 countant or secretary.

**THOMAS ADAMS** *College*  
*Don't give up the ship.* "Oh no!" shouts  
 Tom after his attempt to blow the Chem-  
 istry Lab up has failed. Not only is he  
 interested in chemistry, but he also en-  
 joys fishing, track, and collecting records.  
 Chemical engineering is his hope for the  
 future.

**ROBERT ALLEN** *Commercial*  
*Strong, silent type.* Bob is seemingly  
 quiet in school, but look out! His tem-  
 perament changes when he's among pals.  
 Working on cars and skiing are his main  
 interests, and business management is  
 his hope for the future.

**MARY ANN ANDREWS** *Commercial*  
*Rather to be small and shine than to be  
 great and cast a shadow.* She's the adora-  
 ble bundle of enthusiasm on the side-  
 lines, but cheering doesn't take up all of  
 her time. Mary Ann likes dancing, swim-  
 ming, skating, and admits that she likes  
 to cook. She's certain to be a success in  
 any field.

**ROBERT ANTONUCCI** *College*  
*Here, there, and everywhere.* Chalk  
 doesn't have to worry about what to do  
 in his spare time, for he doesn't have  
 any! He hasn't had enough to do as Pres-  
 ident of the Senior Class and of St.  
 Ann's C.Y.C., so he keeps the office and  
 band running smoothly. How do you  
 know Chalk? "You're looking well"—  
 that's him, and the business world had  
 better prepare itself.

**EDLA ASIKAINEN** *College*  
*Stout of heart and steady of hand.* For  
 someone who exclaims, "I don't care!"  
 so frequently, Edla belies her oft-re-  
 peated phrase by busying herself with  
 many time consuming activities. A hard-  
 working *Magnet* co-editor, Ed makes  
 time for basketball, hockey, G.A.A.,  
 F.T.A. and our sax section of the Band.  
 Some lucky doctor will surely appreciate  
 Ed in the future.

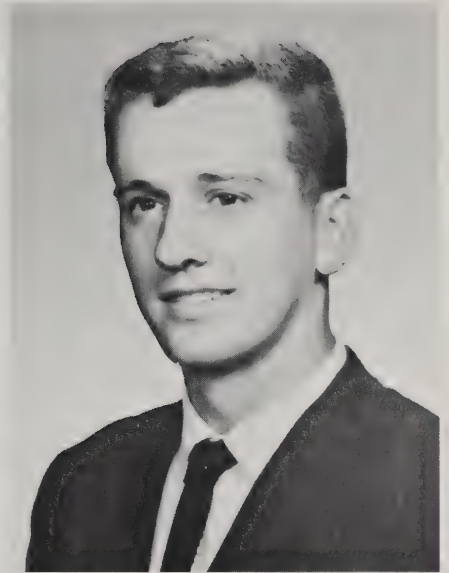

**DALE AUBUCHON** *Commercial*

**SALLY VALERA** *Commercial*  
*The wrong way seems the more reasonable.* Humorous, quick-witted, and can she talk! When she isn't gabbing, she's chewing gum. Skating, dancing, and bowling occupy her time. And if you see a red Ford whizzing by, Sally is probably in the driver's seat. This Miss hopes to become an airline stewardess.

**RICHARD VARGO** *Commercial*  
*Life's a breeze.* Mr. Fenton's pal, Dick is famous for his perpetual amiability and cheerful smile. Dick's favorite subject is English, and between homework and his outside job, he finds little time for other activities (except girls). Dick is undecided about the future, but he's sure to succeed in whatever field he chooses.

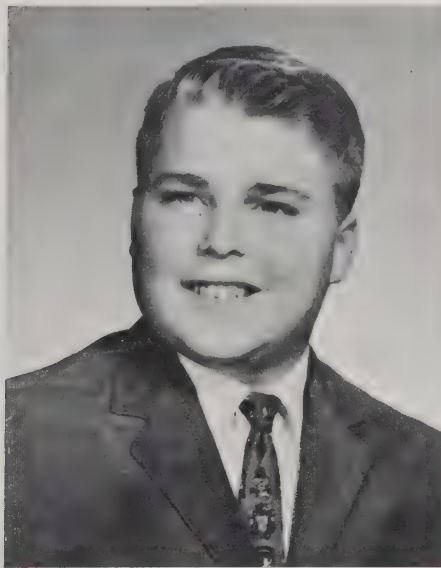

**KATHLEEN VEASEY** *Commercial*  
*On earth there's little worth a sigh, and nothing worth a tear.* Kathy, whose favorite subject is gym, can often be heard asking, "Is that so?" Her hobbies include bowling, roller skating and dancing, and she hopes to become a secretary.

**JILL VERYARD** *Commercial*  
*Tall and slender grace has she.* Jill, an avid reader and roller skater, enjoys her shorthand course. Better known as Ray, she echoes the phrase, "Are you serious?" although she is not serious about any future plans.

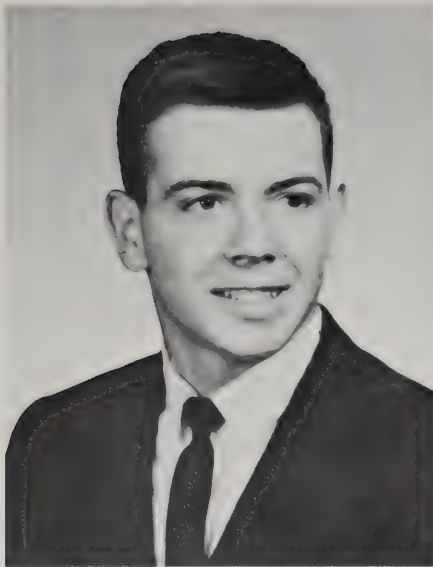

**CHARLES WADE** *Commercial*  
*A generous friendship no cold medium knows.* Good nature must be Lucky's middle name, for he has a smile for everyone. A born mechanic, he enjoys working on cars and attending stock car races. Business law is his favored subject, and DeMolay his favorite activity. Air Force blue will clothe his future horizon.

**ROBERT WARD** *College*  
*Profuse in the act of conversation.* Barney likes his mechanical drawing class, and he's a skiing enthusiast, able chemist, and excellent chess player. Always heard remarking, "I give up. What?" Barney hopes to become an engineer.

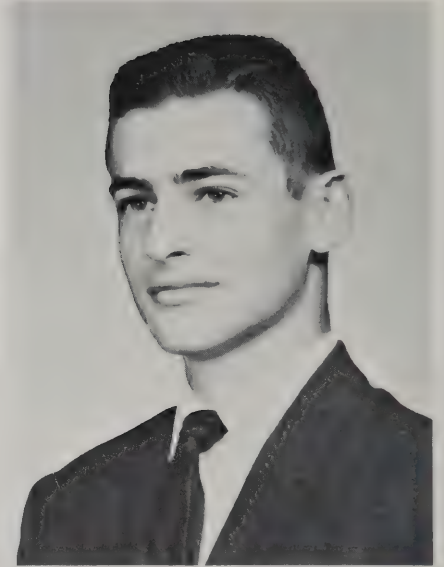

**JEAN WALKER** *Commercial*  
*You all know her—happy, full of the devil.* Someone mention food? Duck! Here comes Jean in a dead run, screaming "I'm hungry!" But then Jean's usually on the go, for she is a member of G.A.A. and has quite a large number of busy friends. The nursing profession will soon gain a cheerful smile and sunny disposition.

**MARTIN WARNER** *College*  
*Don't do today what you can do tomorrow.* Although he's usually heard grumbling "Wait a minute!" Marty's not known for lagging behind or procrastinating on the football field—exactly the opposite! Also an avid baseball player, Marty hopes to become a future coach or a gym teacher.

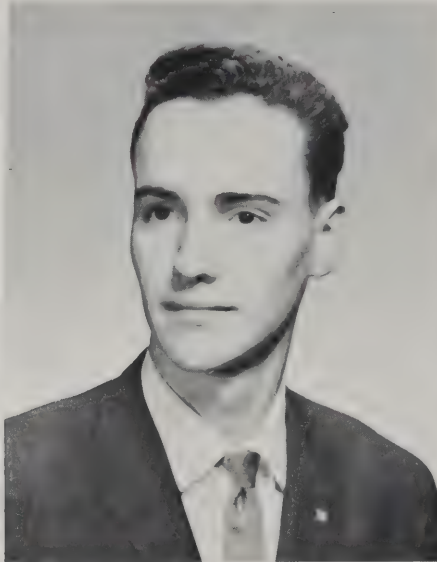

**DONNA WEIGEL** *College*  
*Make hay while the sun shines.* "I can hardly wait for snow." As most of Donna's friends know, this is Donna's favorite saying. During the winter she can be found at some ski resort. Besides skiing, Donna fills her time with G.A.A. and the International Correspondence Club. She hopes to become a teacher.

**PETER WEINBAUM** *College*  
*His merit makes its own way.* "Paging Peter!" If not found at a Press Club, Magnet, or class officers' meeting, or at Karl's or Bob's house, you'll find Pete in a remote corner reveling in cynical humor, philosophizing, or reviewing the latest spectator sports results. Singularly outstanding as an academician, Pete's unique capabilities will lead him to success and recognition.

**BARBARA WELCH** *College*  
*She nobly earns whatever own she wears.* Barb is a frank girl. Don't ever ask for her opinion, unless you want the truth. She finds art intriguing, especially portraits and sketches; and is known throughout the school for her talent. She belongs to Art Club and F.T.A., and intends to become a commercial artist.

**ALAN WESLEY** *Commercial*  
*Talk, talk . . . gads, can he talk!* Alan's an avid stamp collector, and an officer in the Stamp Club. An active member of the Boy Scouts of America, he considers scouting, of course, as his favorite hobby. Bookkeeping is his favorite subject, and he hopes to become an accountant.

**HARLAN WEST** *S.T.H.S.*  
*An industrious lad in every way.* Westie, as he is called by his classmates, can be frequently found with his buddies, Schmidt and Feraco. He enjoys racing, swimming, and dancing, and his favorite subject is drafting. His future is undecided.

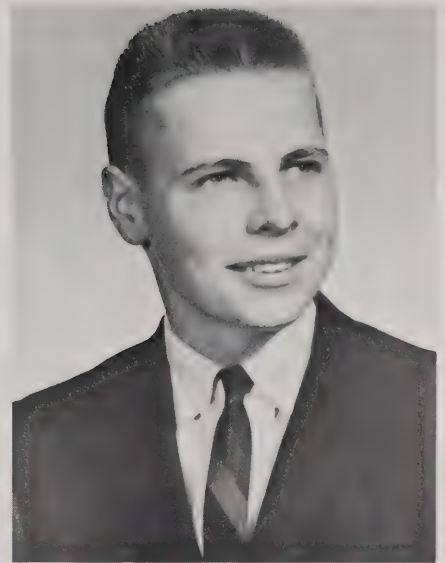

**DONALD WEYMOUTH** *Commercial*  
A fashion plate from *Esquire*. Known for his hilarious antics, Worm is a real live wire, who enjoys gym and being with Mazz. Worm's a real hit with girls, due to his strong line, but he sometimes finds himself on a hook.

**GARY WHITE** *College*  
He was not merely a chip off the old block, but the old block itself. There is no doubt that Whitey has a bright outlook on life for he has one saying for anything in or out of L.H.S. "So Colorful!" He was president of our freshman and junior classes, and managed our football team. Beware when he becomes a salesman.

**HENRY WYSK** *S.T.H.S.*  
A willing helper. Henry is an expert when it comes to cars, for he can fix and drive any variety. Shop is his favorite subject and upon graduation he plans to become an automechanic.

**SUSAN ZIMMERMAN** *College*  
True to her word, her work, and her friends. If an "O, that makes me mad!" resounds throughout the halls, relax, it's only Sue letting off steam. Her dependability, is shown as co-editor of the *Magnet*, and co-director of the Senior Play. G.A.A. and the band round out her list of activities. A successful college life is a certainty for Sue.

**RICHARD ARPIN** *S.T.H.S.*  
Little it matters what the size. Dick is a small guy with a serious outlook on the future. His favorite subject, architectural drawing, has aided him in building miniature models. Carpentry is his plan for the future.

**ROBERT FREED** *S.T.H.S.*  
A good natured lad. Woody's interests are cars and baseball, and he spent last summer at the baseball tryouts in Chicago and Boston. He's batting 1,000 in our books and his career in the automotive trade will also be successful.

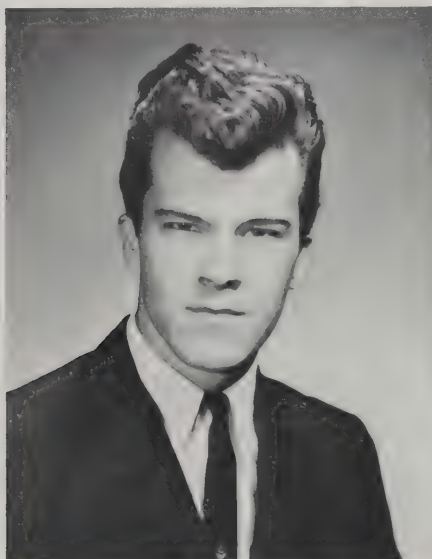

**SALLY GAVIN** *College*  
*A witty woman is a treasure.* Whatever corner of L.H.S. you happen to be pushed into, you will surely meet this girl: she's everywhere at once! She is secretary of the *Magnet*, a member of G.A.A. and a star forward on the hockey team. Sally, an accomplished orator, desires a career in the speech field.

**KAREN GEARY** *College*  
*The best way to have a friend is to be one.* Karen is liked for many reasons. Maybe it's her sense of duty, her willingness to work for others, or her loyalty to friends. In whatever career Karen decides to pursue, she will surely be a success.

**KATHRYN GENTILE** *Commercial*  
*A tiny sprite, yet a merry one.* If you are looking for a girl to brighten your day, Kay's the girl to find. Whether it's a class project, sports, or C.Y.C. activities, Kay is willing and able to work, but hardly ever without a smile. As a medical secretary she's bound to cheer any patient.

**WILLIAM JOHNSON** *S.T.H.S.*  
*Always laughing.* If you haven't heard the latest in jokes or in cars, ask "Little Zig" because he's sure to tell you a little of each. Bill owns a '53 Mercury which he drives around town and he's undecided about his future plans.

**MICHAEL MARTINO** *S.T.H.S.*  
*Dependability is a virtue.* Mike's interests vary from football and baseball, to hunting and fishing. Besides these activities, he also finds time to help with the *Magnet*. His future plans include working as a tool and die maker.

**CYNTHIA PERLA** *Commercial*  
*Busy here and there.* Cindy is one of our more talented seniors, being quite handy with a needle and thread. When she is not busy sewing, however, she might be found practicing her favorite subject—transcription. When Cindy needs a recommendation for a secretarial position, our office will gladly offer one—after all of her good work.

## Football Team

The bench warmers.

The Blue and White of Leominster High experienced a see-saw season this year, winning four and losing four of their eight contests. The first L.H.S. victory came as the Leominster eleven out-ran and out-passed the Panthers of Nashua High in a thrilling 14 to 12 victory at Holman Stadium. The quick backfield combination of Ferrera, Furbush, and Valeri kept the Nashua defense guessing while the strong L.H.S. forward wall, aided by McNally, Marrama, and Marty Warner, was constantly able to get the jump on the Panther line.

With Marlboro came the first L.H.S. defeat of the season as the Orange and Black claimed the victory in a 14 to 6 score at Ward Field. Despite the play of Ricky Warner, Cosenza, Valeri, L'Etoile, and DeCarolus, Leominster was unable to hold down the sharp, "razzle dazzle" play of the Marlboro High Panthers.

The Blue and White of L.H.S. suffered its second loss of the season to a strong Newton South squad at Doyle Field. Throughout the 16 to 0 contest Ferrera, Ringer, L'Etoile, Marrama, McNally and Petricca made their presence felt on both the defensive plays and the offensive attempts.

The Crusaders from Manchester Memorial High were able to retain their undefeated record following a 20 to 14 win over the Blue and White of Leominster High. It was a victory that came the hard way, however, as the Leominster eleven held the Crusaders to a tie until the final minutes of the contest.

Halfbacks Doug Furbush and Ricky Warner scored a total of three touchdowns to lead the Leominster Blue and White to a decisive 18 to 0 victory over Revere High. While the offense piled up a total gain of 200 yards on the ground, the Blue and White line of Phil Rocca, Dave McNally, Larry Petricca, Dennis Surette and Larry Ojala held Revere to a total of 86 yards on the ground.

At a chilly, rain-soaked Doyle Field, the Wildcats from Gardner High edged-out Leominster by a slim 3 to 0 victory. The men of Coach Charlie Broderick's team played some of their best football of the 1962 season and were the first team in years to keep the G.H.S. team out of the end zone. During this spectacular contest Angelini, Surette, Petricca and Rocca starred in the line play, while Ricky Warner and Valeri were the backfield bright spots.

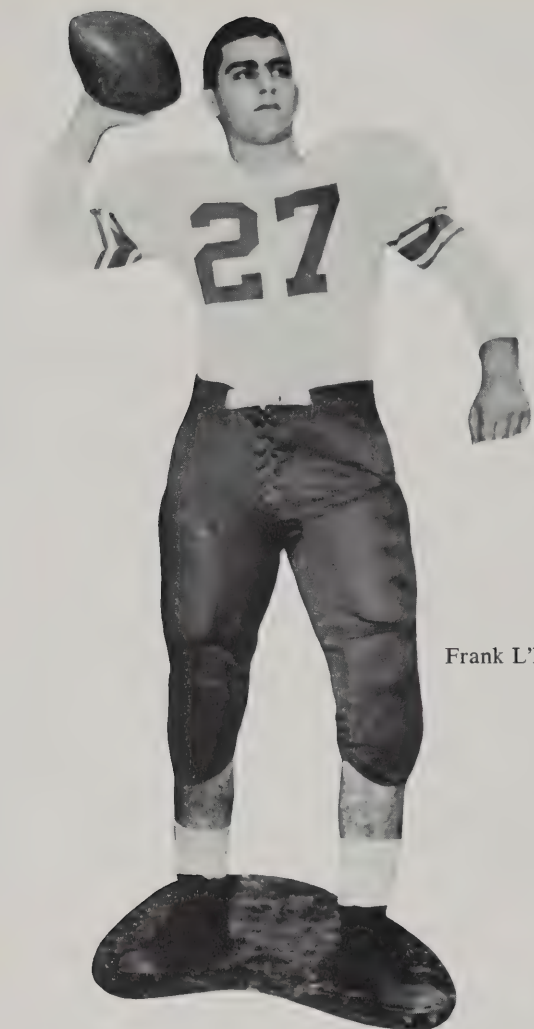

Leominster High ran over the Polar Bears of Worcester North High to post their third victory of the season. Nelson Valeri and Ricky Warner cut down the Worcester ends to sprint their running back, Doug Furbush. During the Blue Devil Drives, the offensive work in the forward wall by Roger Angelini, Larry Ojala, and Phil Rocca provided the daylight for the backfield when it was most needed. Cosenza, Ferrera, Surette and L'Etoile all played a fine game.

The Blue Devils, with complete offensive domination, ground out a spectacular 14 to 0 win over the Red and Gray of Fitchburg before some 8,500 drenched fans at a soggy Crocker Field in the annual Turkey Day Classic. The contest was won by a high-spirited L.H.S. squad, which teamed together behind the fine running of Valeri, Ricky Warner, DeCarolus, and Furbush. Much of the credit goes to the sharp line playing of Rocca, McNally, Love, Petricca, and Angelini. In a great sea of mud, the game was marked by excellent line play and well executed backfield operation. It was difficult to find a single stand-out on the field; the Blue Devil victory was due to a fine L.H.S. team effort.

Dampened spirits against Gardner.

## L.H.S. Varsity

The L.H.S. basketball squad capped the North Worcester County basketball title for the first time in three years by posting a 7-1 county record and a 5-2 slate in independent composition. Featuring a smooth, deliberate offense and a tight zone defense, the Fowlermen racked up ten consecutive successes before being halted by New Bedford's Class A Eastern Massachusetts Tourney quarter-finalists. The team played .500 ball for the remaining four games, dropping a tight one to Algonquin and an anti-climactic tilt versus Fitchburg in the regular season's finale. Selected to represent the area in the District II playoffs, L.H.S. hit its peak in the initial contest by drubbing Athol

nis Baron, Robert Hudson, William LaPrade,  
and Rene Baron.

## Basketball Team

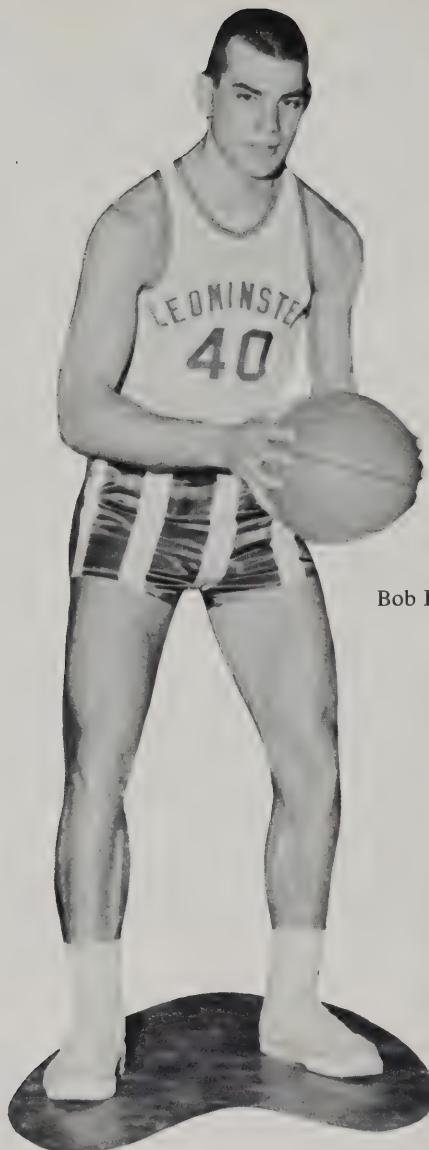

60-42. However, we had the misfortune of drawing powerful St. John's of Shrewsbury in the second round and took it on the chin by a 66-52 count—(no disgrace though: St. John's won the Western Massachusetts Tourney and was one of the eight finalists in the New England Championships). In the consolation game, we lost the right to represent District III in the Western Massachusetts Tournament by dropping a heartbreaker, 59-58, to David Prouty High of Spencer. All told, the squad posted a 14-5 over-all record, and three of its members—Dave DeCarolis, Norm Ferrera, and Bob Hudson—were named to the NWCSWA all-star squad.

## Swim Team

Despite a mid-season switch of coaches, the L.H.S. swim team captured three of their seven stiff meets this season, in addition to setting numerous individual records. Seniors Jeff Johnson and Marc Levine, swimming the 100 yard backstroke and the 100 yard freestyle respectively, plus Ley Ricker in the 400 yard freestyle and Randy Valliancourt in the 100 yard butterfly all shattered previous L.H.S. records. The team journeyed to the state meet, where Gary Heline claimed honors in diving. Randy Valliancourt placed second in both the 100 yard butterfly and 200 yard freestyle, Jeff Johnson finished third in the 100 yard backstroke, Ley Ricker placed with a third in the 400 yard freestyle, and Marc Levine claimed fourth position in the 400 yard freestyle. Much credit goes to the team for a hard fought season, and L.H.S. is proud of them.
